

Scelza, B.A.

## Curriculum Vitae: Brooke A. Scelza

UCLA Department of Anthropology  
341 Haines Hall, Los Angeles, CA 90095  
(310) 825-1437  
Email: bscelza@anthro.ucla.edu

### EDUCATION

---

|      |       |   |
|------|-------|---|
| 2008 | Ph.D. | University of Washington, Department of Anthropology  |
| 2008 | n.d.  | University of Washington, School of Public Health<br>• Certificate in Maternal and Child Health |
| 2001 | M.Ed  | Harvard Graduate School of Education  |
| 1998 | B.S.  | University of Michigan, Ann Arbor, School of Natural Resources                                  |

### ACADEMIC POSITIONS

---

|                |  |
|----------------|--|
| 2021 – present | Professor of Anthropology<br>• University of California, Los Angeles           |
| 2016 – 2020    | Vice Chair of Graduate Studies<br>• University of California, Los Angeles      |
| 2015 – 2021    | Associate Professor of Anthropology<br>• University of California, Los Angeles |
| 2008 – 2015    | Assistant Professor of Anthropology<br>• University of California, Los Angeles |

### AWARDS AND HONORS

---

|           |   |
|-----------|---|
| 2019      | UCLA Faculty Leadership Academy                               |
| 2016      | <i>Fiat Lux</i> Faculty Recognition Award                     |
| 2011-2012 | UC Hellman Fellow   |
| 2011      | New Investigator Award, AAA Evolutionary Anthropology Society |

### FELLOWSHIPS AND GRANTS

---

|      |   |
|------|---|
| 2022 | UCLA Faculty Research Grant   |
| 2018 | National Science Foundation REG Award (BCS-1534682)   |
| 2018 | National Science Foundation Supplement Award (BCS-1534682)  |
| 2015 | National Science Foundation Senior Research Award (BCS-1534682)<br>• Jointly funded by Cultural and Biological Anthropology |
| 2015 | UCLA Faculty Research Grant   |
| 2012 | UCLA Faculty Research Grant   |
| 2011 | Wenner Gren Postdoctoral Grant  |
| 2010 | Center for the Study of Women Seed Grant  |

Scelza, B.A.

- 2010 UCLA Faculty Research Grant
- 2007 Center for Studies in Demography & Ecology Fellowship
- 2007 Center for Statistics in the Social Sciences Travel Award
- 2005 National Science Foundation Dissertation Improvement Grant
- 2005 Fulbright Postgraduate Award, Australian-American Fulbright Association  
• Advisor: Prof. Robert Tonkinson, University of Western Australia
- 2004 National Science Foundation Research Experience for Graduates Award  
• Principal Investigator: Eric A. Smith
- 2002 University of Washington Department of Anthropology Fellowship  
• Three Year Recruitment Package

#### BOOKS

---

- In prep Human Behavioral Ecology (co-edited with Mary Shenk and Jeremy Koster)  
• Contracted with Cambridge University Press (expected 2023)

#### PEER-REVIEWED ARTICLES

---

- In review Page, A. et al. Subsistence strategy does not predict fertility at the group level, but women who farm have more children. In review at *Science*
- In review Scelza, B. and Prall, S. Only death will separate us: The role of extramarital partnerships when concurrency is common. In review at *Archives of Sexual Behavior*.
- In review Swinford, N. et al. No evidence of inbreeding depression on height within an endogamous Namibian population. In review at *American Journal of Biological Anthropology*.
- In review Swinford, N., et al. Increased homozygosity due to endogamy results in fitness consequences in a human population. bioRxiv 2022.07.25.501261
- 2022 Prall, S. and Scelza, B. The dietary impacts of drought in a traditional pastoralist economy. *American Journal of Human Biology*, e23803
- 2022 Prall, S., and Scelza, B. The effect of mating market dynamics on partner preferences and relationship quality among Himba pastoralists. *Science Advances* 8(18)eabm5629
- 2022 Hagen, R. et al. Staying alive enhances both men's and women's fitness. *Behavioral and Brain Sciences* 45 E137
- 2022 Vinjamuri, A., et al. Human milk oligosaccharide compositions illustrate global variations in early nutrition. *The Journal of Nutrition* 152(5) 1239-1253.
- 2021 Scelza, B., et al. The role of spousal separation on norms related to gender and sexuality among Himba pastoralists. *Social Sciences* 10(5), 174

Scelza, B.A.

- 2020 Broesch, T. et al. Navigating cross-cultural research: methodological and ethical considerations. *Proceedings of the Royal Society B*. B287 (1935) 20201245
- 2020 Prall, S., and **Scelza, B.** Food insecurity and resource demands affect partner preferences in Himba women. In review at *Evolutionary Human Sciences*.
- 2020 Hagen, R. and **Scelza, B.** Conformity bias predicts outgroup norm adoption: how WHO-recommended perinatal care norms spread among Namibian pastoralists. *Evolution, Medicine and Public Health*. 2020(1) 161-173.
- 2020 Curtin, C. et al. Why does the use of mental states in moral judgement vary across societies? *Evolution and Human Behavior*. 41(5) 415-429.

#### INVITED TALKS

---

- 2022 Title: Opportunities and Obligations: social and ecological determinants of health in the Kunene  
• University of Namibia, Oshakati Campus
- 2021 Title: Husband, Lover, Pater, Genitor: Paternity and concurrency in northwest Namibia  
• Society for Personality and Social Psychology Annual Meeting, Evolutionary Psychology Preconference  
Invited Speaker
- 2021 Title: Husband, Lover, Pater, Genitor: Paternity and concurrency in northwest Namibia  
• University of Michigan

Scelza, B.A.

- 2021 HBES Virtual Roundtable Series: Beyond WEIRD, a decade later: Population diversity in the evolutionary study of human behavior.
- 2019 Title: Husband, Lover, Pater, Genitor: Paternity and concurrency in northwest Namibia  
• Behavior, Evolution and Culture Speaker Series, UCLA
- 2019 Title: Mothers and daughters in the changing world of perinatal care in Omuhonga  
• University of Namibia, Oshakati Campus Research Conference  
Keynote speaker
- 2019 Title: Mothering Mothers: The Critical Role of Breastfeeding Support  
• Indiana State Department of Health Breastfeeding Conference  
Keynote speaker
- 2018 Title: Husband, Lover, Pater, Genitor: Concurrency and paternity in Himba pastoralists  
• Social Psychology Brown Bag Series, UCLA
- 2018 Title: The Kunene Rural Health and Demography Project: 2010-2018.  
• University of Namibia, Oshakati
- 2018 Title: The value of concurrency: exploring the costs and benefits of multiple partnerships for Himba men and women  
• Max Planck Institute for Evolutionary Anthropology
- 2018 Title: Concurrency in Context  
• Harmful Cultural Practices Workshop (UCSB)
- 2018 Title: The value of concurrency: exploring the costs and benefits of multiple partnerships for Himba men and women  
• Northwestern University
- 2018 Title: The value of concurrency: exploring the costs and benefits of multiple partnerships for Himba men and women  
• Arizona State University
- 2017 Title: Men, women, cows and corn: the unusual case of double descent and its effects on sex and gender among the Himba  
• Santa Fe Institute Matriliny Workshop
- 2017 Title: The value of concurrency: Exploring the social, economic and genetic benefits of multiple mating among the Himba  
• California Workshop on Evolutionary Social Sciences
- 2017 Title: The value of concurrency: Exploring the social, economic and genetic benefits of multiple mating among Himba women.  
• 5<sup>th</sup> Annual Toulouse Economics and Biology Workshop.

Scelza, B.A.

- 2015 Title: Choosy but not chaste: The benefits of multiple partnerships for women (Plenary)  
• Northwest Evolution, Ecology and Human Behavior Symposium
- 2014 Title: Choosy but not chaste: The benefits of multiple partnerships for women.  
• Lang Colloquium Series (Stanford University)
- 2014 Title: Choosy but not chaste: The role of female multiple mating in the human life history.  
• CSU Fullerton Anthropology Speaker Series
- 2014 Title: Choosy but not chaste: the role of female multiple mating in the human life history.  
• UC Santa Barbara Integrative Anthropological Sciences
- 2012 Title: Cooperative Breeding in Context: Proximate Pathways of Support in the Mother-Daughter Relationship.  
• UC Davis Evolutionary Anthropology Colloquium Series
- 2012 Chair: Hunter-Forager Session  
• “Women in Evolution,” Leakey Foundation Symposia
- 2011 Title: The Mother-Daughter Relationship in Evolutionary and Demographic Perspective  
• California Center for Population Research
- 2010 Title: Cooperation and Conflict in the Mother-Daughter Relationship: Data from the Puerto Rican Maternal and Infant Health Survey  
• 3UC Conference on Evolutionary Anthropology
- 2009 Title: Raising Adults: The Importance of Post-Adolescent Parental Investment  
• University of Nevada, Las Vegas Department of Anthropology
- 2009 Title: Mother-Daughter Bonding at Critical Times  
• UCLA Interdisciplinary Relationship Science Program  
• Workshop on “Evolutionary Foundations and Functions of Close Social Bonds”
- 2008 Title: Bush Forager, Shop Forager: Production and Consumption Patterns Among Martu Aborigines  
• Behavior, Evolution & Culture Speaker Series, UCLA
- 2008 Title: The Grandmaternal Niche: Critical Caretaking Among Martu Aborigines  
• IUSSP Seminar: Trade-offs in Female Life Histories
- 2007 Title: The Importance of Intergenerational Transfers to Post-Adolescent Offspring  
• Center for Studies in Demography and Ecology, U. Washington

Scelza, B.A.

#### OTHER RESEARCH EXPERIENCE

---

|              |                    |   |
|--------------|--------------------|---|
| WINTER, 2007 | Research Assistant | Research Assistant for Eric A. Smith (CSDE) <ul style="list-style-type: none"><li>• Data entry and analysis for Santa Fe Institute project on intergenerational transmission of wealth</li></ul>  |
| SUMMER, 2006 | Research Assistant | Academic Pathways Project, University of Washington <ul style="list-style-type: none"><li>• Transcribed and coded interview data</li></ul>  |
| SUMMER, 2006 | Research Assistant | National Science Foundation (BCS 0075289) <ul style="list-style-type: none"><li>• Principal Investigator: Rebecca Bliege Bird</li><li>• Created 10,000+ line database on Martu burning ecology</li></ul>  |
| 2005         | Research Assistant | U.S. Forest Service, Pacific NW Research Station <ul style="list-style-type: none"><li>• Transcribed interviews with Forest Service employees</li><li>• Created Atlas TI database and coded all interviews and wrote report summarizing findings.</li></ul> |
| 2004 – 2005  | Research Assistant | National Science Foundation Grant (BCS 0075289) <ul style="list-style-type: none"><li>• Principal Investigator: Rebecca Bliege Bird</li><li>• Created Filemaker database of five years of data on Martu foraging and food sharing.</li></ul>                |

#### COURSES TAUGHT

---

|      |   |
|------|---|
| UCLA | <ul style="list-style-type: none"><li>• Human Evolution</li><li>• Human Behavioral Ecology</li><li>• Advanced Topics in HBE</li><li>• Mother Nature, Father Time: Evolutionary perspectives on parenting</li><li>• Uses and Abuses of Evolutionary Theory</li><li>• Measuring Behavior</li><li>• Life History Theory (Graduate Course)</li><li>• Anthropological Perspectives on Public Health</li><li>• Field Methods in the Study of Human Behavior</li></ul> |
|------|---|

Scelza, B.A.

(co-taught with H.C. Barrett)

U. Washington

- Interdisciplinary Writing Program (ENG 198)
- Evolution and Human Behavior (BIOA 100)
- Evolutionary Perspectives on Sex and Gender (BIOA 477)

#### PROFESSIONAL AFFILIATIONS

---

|                |   |
|----------------|---|
| 2012 – Present | Evolutionary Medicine Group, Faculty Affiliate  |
| 2009 – Present | Institute for Society and Genetics, Faculty Affiliate                                 |
| 2008 – Present | Center for the Study of Women, Faculty Affiliate                                      |
| 2005 – 2006    | Australian Institute for Aboriginal and Torres Strait Islanders<br>• Visiting Scholar |
| 2004 – Present | American Anthropological Association, member  |
| 2017 – Present | Human Biology Association, member   |

#### SERVICE

---

##### UNIVERSITY LEVEL

- Committee on Committees (2019-2021—Elected)
- Graduate Council (2021-present)

##### DEPARTMENTAL
